## **Education Intern**

(Volunteer college semester internship)

Explora seeks college interns to assist with Education programs on-site and on outreach during summer 2019 semester.

### **Internship Summary:**

Exclusive opportunity to work with Explora staff and gain experience as an educator. Develop skills that are transferable to a variety of careers while creating interactions that are engaging and memorable. Collaborate with peers, mentors and your community. Opportunities include\*:

- In Classroom Programs (on outreach)
  - Assist Explora staff in outreach at schools, community centers, libraries and other events.
  - Supporting children with autism, down syndrome, and other special needs in Explora programs
- On the Exhibit Floor
  - Facilitate visits for groups who visit Explora.
- Assist Education staff in preparing materials for programs.
- In Explora's STEAM Room/Maker Space
  - Facilitate activities, projects, and assist in the facilitation of programs

\*Time commitment and schedule varies and is based upon the program. Minimum time commitment is 2 ½ hours a week. Maximum time commitment is 30 hours a week.

### **Preferred Qualifications:**

Be a life-long learner. Working on a degree or emphasis in early childhood education, child development, family studies, education, occupational therapy, physical therapy, counseling, psychology, speech-language pathology, art therapy, science (physics, biology, chemistry), or related fields. Interest in science, technology, engineering, art, and math. Bilingual in Spanish a plus. Reliability and promptness. Excellent customer service.
