

## **Intern with Explora -- Education** (Unpaid, semester-long position)

Explora seeks current college students for our Internship Program. Interns assist with Education programs both on- and off-site (outreach) during fall 2019 semester.

**Education Internship Summary:** Work with Explora educators and gain experience in assisting with and facilitating inquiry-based programs. Interns develop teaching skills that are applicable to both formal and informal environments such as a museum. Interns gain experience for future work in education, especially in museums and other informal learning environments. Explora Interns have a positive and valuable contribution to Explora's mission.

\*Intern opportunities include:

- Education programs -- both on-site and during outreach at schools, community centers, libraries and other events.
- On the Exhibit Floor for groups who visit Explora.
- Assist Education staff in preparing materials for programs.
- Studio Inventivo, Explora's STEAM Room/Maker Space -- Facilitate activities, projects, and assist in the facilitation of programs

\*Time commitment and schedule varies and is based upon the program. Minimum time commitment is 2 1/2 hours a week. Maximum time commitment is 30 hours a week.

**Preferred Qualifications:** The ideal Intern candidate will have an interest in STEM or STEAM education; is working on a college degree or certification; is reliable and prompt; and has excellent customer service.
