

STEM Scholars Scholarship

Apply Now!
Deadline; March 31, 2026

Are you a New Mexico high school senior with a passion for science, technology, engineering, or math? We're excited to offer a \$2,500 scholarship to support students who plan to pursue a STEM-related career and make a positive impact in their communities.

This scholarship is designed to encourage the next generation of innovators, problem-solvers, and leaders from across New Mexico. Whether your goals include engineering, computer science, healthcare, environmental science, or another STEM field, this award can help you take the next step toward your future.

Eligibility: Must be a current high school senior planning to attend a New Mexico postsecondary institution.

**Application
Requirements:**

- Online application form with 3 brief essay questions
- A letter of recommendation
- An unofficial high school transcript
